MEMORANDUM FOR THE RECORD

SUBJECT: Report to House Committee on Government Operations
Concerning "Federal Real and Personal Property
Inventory Report"

1. Chairman Chet Holifield, House Committee on Government Operations, has again requested the Agency's contribution to the recurring Committee report on the assets of personal and real property holdings of the Federal Government throughout the world. Under arrangements with the Committee, the value of Agency personal property [REDACTED]

[REDACTED] The Agency's realty holdings, comprising buildings and acreage at Headquarters [REDACTED] sites, will be those overt figures as submitted to General Services Administration and which are provided by GSA to the Committee. The only changes in this year's report is the addition of 43.7 acres to the Headquarters area and the disposition of 80.3 acres of the [REDACTED] site to the [REDACTED] 25X1A Army. Our response to the Committee merely advises that our contribution will be made under the agreed upon arrangements.

2. The Committee has added a requirement for the listing of all properties in the custody of contractors. The security and other problems in meeting this requirement were discussed with the Committee staff and we need not provide this information.

25X1A 3. The current report has been coordinated with the Director of Logistics, [REDACTED] (DDS staff), and [REDACTED] (Finance). 25X1A
